

New Entertainment Destination To Emerge At ANE

BLAINE, MINN. – A new entertainment destination is emerging at the Anoka County/Blaine Airport in the northern suburbs of the Twin Cities. Flight Line Enterprise, LTD. is proposing to build a restaurant, gift shop,

and event center all under one roof. The aviation theme facility named “Flight Line Cafe & Event Center” plans to seat over 800 people in the event center and 300 in the cafe. The cafe will have a spectacular view of

departing and arriving aircraft.

Local pilot Craig Schiller is forming an investment group and offering 925,000 shares of common stock at \$1 per share in order to secure the final phase financing to build the facility. The Minnesota Vikings’ interest in building a new stadium in Blaine indicates future expansion of the community.

For additional information contact Schiller at 763-784-6400 or via email at cschiller@FlightLineLTD.com. See their website at www.FlightLineLTD.com □
