

### ~ FLE has a New On-Site Office ~

We now have an office on our development site at the Blaine airport. The contractor was kind enough to loan us a trailer-office to set up on the new [building site](#). Please feel free to stop by to discuss project progress or share offering participation.

### ~ Finding a Partner ~

Our Restaurant Broker has been seeking out existing businesses in the restaurant/catering industry, to lease out that dedicated 10,000 sq ft. portion of the building. We have met with a number of entities and the interest is strong. We are getting close to the perfect partnership which will greatly aid our overall financial plan of the project and livelihood of the company. If you or someone you know is in the restaurant industry who's interested, have them [contact us](#) for partnership information.

## Become a Share Holder!

We have come a long way towards reaching our goal of creating this new facility. Resolving site issues and a MAC site agreement are steps in the right direction, but we need your support to continue moving forward. Our immediate task is to sell the balance of our shares

### Our Gift Shop!

We are happy to announce our online gift shop is making good sales! We continue to grow our inventory listings, and sell items to enthusiasts around the world.
