Dear MAC Commissioners;

I am writing you today in support of the Flight Line Event Center and Restaurant as proposed for the Anoka-Blaine Airport facility. This facility would be a great benefit to both the airport and our business aviation industry in Minnesota. As you all know, the key to success in the aviation industry is in the services provided to an arriving traveler. Ultimately my region would like to have a business aviation center that caters to the need our rapidly growing business community. We cannot afford to stifle the growth of these services.

The Flight Line Event Center, as proposed, would be a valuable addition to the services available to business travelers as they arrive in the North Metro Area and compliments the vision Anoka County has laid down for a truly modern aviation center. I hope you will give it every consideration.

Thank you,
